

## STUDENT ACCIDENT INSURANCE 2016-2017 SCHOOL YEAR

Dear Parent/Guardian,

Due to budgetary constraints, beginning with the 2016-2017 school year, the district will no longer carry medical insurance for students. However, we will continue to provide parents with the opportunity to select a student accident insurance plan for students **attending** the Schuylkill Haven Area School District.

Student accident insurance can help you eliminate the possibility of out-of-pocket expenses. Since many group insurance policies no longer pay full hospital and medical expenses and may require a deductible or co-insurance this coverage is becoming increasingly helpful.

There are two plans available for your consideration:

- **Plan #1 – School Time Accident Coverage** – Cost is \$40.00 per student  
This will cover injury occurring while the student is traveling to and from school, while attending school-sponsored activities such as plays, assemblies, class trips, interscholastic sports (other than high school football), intramural sports, gym and physical education classes, etc.
- **Plan #2 – 24 Hour Accident Coverage** – Cost is \$144.00 per student  
This will cover all of the above, plus accidents occurring away from school, in the evenings, weekends, holidays, summer vacations, etc.

***\*\*The above Voluntary plans exclude interscholastic High School Football\*\****

Please note that the plans should be considered in conjunction with any other family medical insurance you may have.
